After successfully complete the process it is still shown in the 'Inbox for Pending Workflow' section as because it is pending for next process. Until the whole process is not complete it remains showing in 'Inbox for Pending Workflow'.

- Now we are discussing about the Retirement type of 'Compassionate Allowance', 'Interim Allowance' and 'Provisional Pension (Departmental Case Pending)'.
 - 1. First tab in this section is Pensioner's Details. User need to enter all the details of the employee and always save it before close.
 - 2. <u>Pension Payment Jurisdiction</u>:

The user needs to choose Pension Payment Jurisdiction from three options. i.e. 'Payable through Bank', 'Payable through Treasury',' Outside WB'.

- If user choose Payable through **Bank**, then bank details needs to fill up. It is also available in next tab. For Bank Jurisdiction this Bank Information is mandatory.
 - If the user selects Payable through **Treasury**, the user needs to choose the Treasury name from the LOV.

- If User Choose '**Outside WB'** user needs to choose District name from LOV and put the treasury name available that district in the adjacent text field.
 - 3. <u>Commutation Desired / Commutation (%)</u>: To Apply Commutations user needs to choose Commutation Desired "Y". This has to enter the Commutation (%). Maximum Commutation Percent depends on the ROPA of that Employee.
 - 4. <u>Any previous commutation pension application / Remarks :</u> If Employee has any previous commutation pension application then choose 'Y' and put the Remarks.
 - 5. <u>Provisional Pension Received / Remarks</u>, <u>Provisional Gratuity Received / Remarks</u> : If Employee applied Provisional Pension then this filled will not be modified and automatically populated by System. Amount will come in the remarks field. Otherwise user can choose this. If User choose 'Y' then Remarks is mandatory.
 - 6. <u>Any other pension Received</u>: If Employee Received any Other Pension then chooses "Y" then filled Pension Name, Particulars and Source.
 - 7. <u>Whether appointment is made on ad-hoc basis / Remarks</u> : Whether appointment of the Employee is made on ad-hoc basis Pension then choose "Y".
 - 8. <u>Any Previous Appearance before medical authority/ Remarks</u> : If Employee have Any Previous Appearance before medical authority then choose "Y".
 - 9. <u>Court Case(Departmental/Criminal) pending</u>: This option is by default "Y" and User cannot change this.
