Suggestion for Improvement

20 responses

Books, pdf, from ZSI, BSI, Publication Aranya Bhavan may be available, so all can access all the informations and implement it in field.

More development required in Online mode.

Want more development in online mode class.

Everything is very fine and well.

Need digital screen for modern classroom facilities.

Online & digital scheme for morden Class room facilities

Digital display required in classroom

Want more improvement in online mode classes.

Offline class on NTPS, Licensing system of woodbased industries

Content should be more elaborated

Online

Online classes was not very clear, needs to be improved.

Online classes Improving

Some Course content should be more concise

Off line classes on licencing system &NTPS classes

Course was good, needs little improvement in elaboration in Law class

Class lecture should be in multi language.

Dustbin required

Online and soft copy

Lecture was good and informative but willl be more excellent if course covers other ACT like IFA 1927
