Nil

Should be more detailed in presentation

More information required

Conduct training more than one day

More ppt may be introduced

It's ok

no need I

More this type of training

This workshop held on every monthly

Very good program

Nothing

More this type of training is needed

Very good Session, it will help me my future endeavours

Good

Yes.. If, This type of program will be held in yearly, very helpful for field officer..

Ppt may be more illustrative.

Overall Excellent. Need SOP regarding some laws applied at field level forest & wildlife management.

More issues should be discussed which we use to face while execution of duty. Overall excellent initiative

Use of some digital technology related to SOP for modernization of forest management technics

Want More training program/workshop regarding various matters in future regularly..

Specific case reference would have enhanced the experience more.

If it was for 2days it will be better

Ppt may be improved for future course of action
