Formation of a online group with treasury/pao officer, DSOs will be helpful.

Some class regarding Gem,pension casses will be helpful

Compilation of relevant & important rules & orders may kindly be supplied as ready reference.

Need more training like this on topics like establishment

This type of traning programme to be given us frequently for better result

Gem and pension case needs to be touched

Workshop should be atleast two days

Required the all relevant O.O and Rules and circulate the relevant order upto Division level, so thatDDO can very much aware of the new rules and regulations.

Training regarding financial rule and Treasury rule is needed in near future

Excellent presentation.

1. Gem part may be covered in details.
2. This training may be extended in details mode for at least 2 days.

Time to time attaining this kind of training will be very helpful as orders are publishing and developing regularly

Printed study materials should be provided.

Printed study materials should be provided. More training is required.

NA

The training session was very effective, further training on IFMS, Financial rules is needed to enhance the knowledge in this regard.

More trainings are required &few circular in favour of DDO according to treasury rules are required .

Most effective but needs more time to understand the treasury rules, financial rules and IFMS

During training on financial & treasury rules if DFO and DDO both attend then understanding will be better in terms of rules and responsibilities.

More such training program needed.

Case study with each case relevent to various rules and objection by TO may be included.

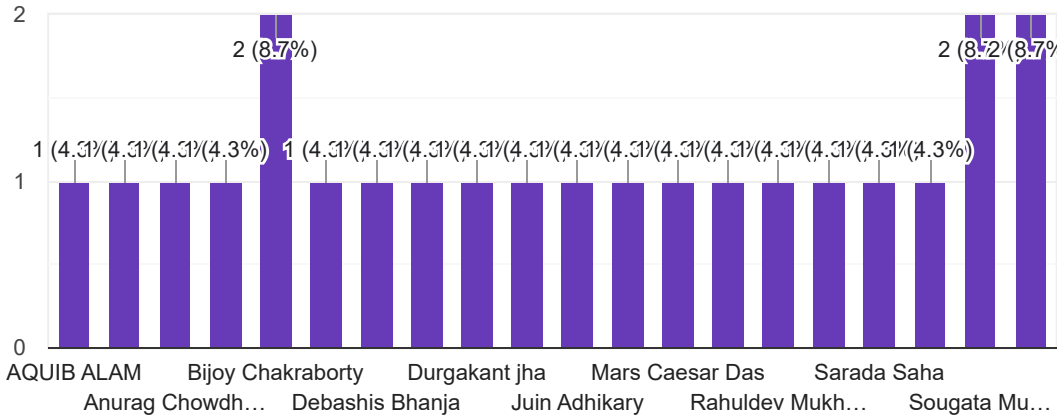

Need the session in every six months with emphasis on current ammendment,rules or GO.

Need regular session once in every six month.
