Very good

Training is very Good

No Suggestions

Too good

N/A

Need discussion within certain period interval.

More workshop need for GEM, if problem arised

Frequent Training

NIL

Good

WBHS class should be more practical

More workshop need on GEM

More session

More training

May be

The training was good, but it should be conducted in other languages as well, like Hindi or English.

All ok

Training-cum-Workshop should be conduct at least twice a year for understand and updation regarding the related issues. Speech should also be delivered in Hindi and English.

Not applicable

Some speech should be in hindi or in english

More Presentation with sample on wbhs

Regarding GeM - amazing session especially the theory part. Without prior knowledge, learned a lot about it. It now seems easy to operate.

Regarding WBHS- Overall a good interactive session.

Kindly arrange one day training session for HRMS

I have no suggestion in this regard

More relevant course or training need to organized for grooming or improvement.

Kindly arrange another training programme

Very Good , I have no suggestions for improvement.

Technical Live Support

Good. I have no suggestions for improvement.

To arrange more training on WBHS

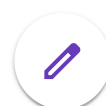

Everything was great.

Training should be lengthier

Need better equipment, ppt

The WBHS training was helpful.. special thanks to CF DC Sir for allowing to take part despite not been invited officially.

Can't say
