Which part is most useful to you for future

2 responses

Conservation of wildlife and water management and on ground implementation for masterplan. And gis

Rain water harvesting, GIS lab, sustainable management, nursery management, zoo management.

Which part is least useful to you for future

2 responses

Again watching same events 2 or 3 times.

Null

Suggestions for improvement

2 responses

Rest days should be less and in meantime more information needed as in field work, more things to watch in between and more events like proper jeep sa

Stay in Sukna and Kolkata can be improved. Better transparency in communication. Safari for animal spotting in national parks.
