Satisfied

No as such

Session was already very impressive and knowledgeable.

Overall it was a good session.

Need to be more conscious

Need online classes in this matter

Nil

More training on this topic required with more visual representation

All ok

It should be more simple

Okay

Not need

Not as such

Need to be strong the ICC and strict

Procedures need to be in more brief context

Different case study with their lacunae & explanation

More classes needed

There should be more senior male officers

Everything is fine. I would be benefited if you provide a copy of the order or guideline on which the ICC committee will be formed.

Beside each other

Well presented with enough contents but needs to be presented in more details.

Ok

More training session and sensitization is required for top brass of the organisation.

Everything was upto the mark.

It was a compact one.

All the points on the topic were excellently covered.
