Which part is most useful to you for future

10 responses

Practical learning

All

Nursery,

The overall experience which I have got is very useful especially whatever I have learned about plantation.

Knowledge about medicinal plants and ecotourism

All the locations we visited like nurseries, plantations,CFC areas, museums etc.

Life experience

Practical learning and meeting with senior officials

All the information we got, is useful for future

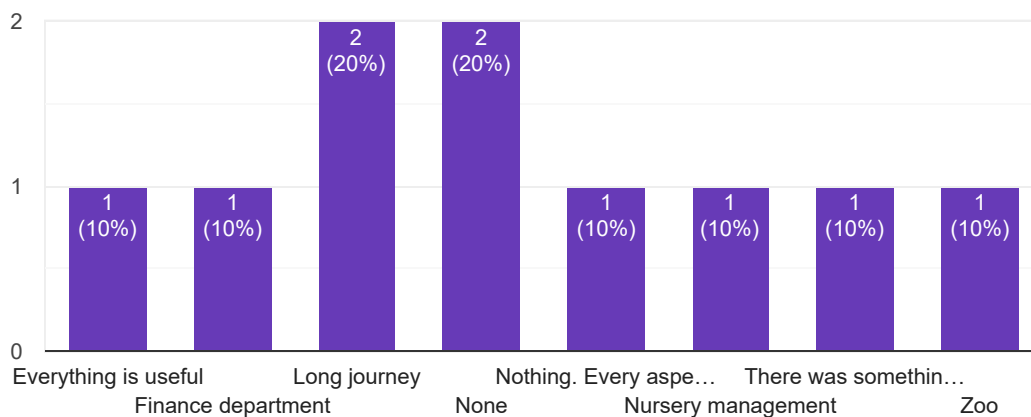

National park and bio diversity

Which part is least useful to you for future

10 responses

Suggestions for improvement

10 responses

NA

Field trip should be of more days

Null

It can be manage for efficiently

Everything was just amazing.

Nothing as all the facilities and arrangements was amazing

Accomodation
